

***Title I Home/School Compact
2011-2012***

Bright Elementary School is a Schoolwide Title I program. That means that all of our students benefit from the Title I (federal) funds spent at our school. Parent involvement is a key feature of Title I programs. The purpose of a home/school compact is to build and foster the development of a partnership to help all children achieve the State's high standards.

Responsibility for improved student achievement will be shared by parents, the child, teachers and administration.

As the **principal** I pledge to uphold the contents of this compact to ensure that each student is provided the opportunity for academic success.

As a **parent/guardian** I pledge to:

- Provide an academic environment at home that fosters learning;
- Provide a quiet time at home designated for reading and studying;
- Support the efforts of the school by attending school functions and volunteering to engage in school activities;
- Promote effective communication with the child's teacher;
- Talk with my child every day about his school activities; and
- Always BELIEVE that my child will be successful with my guidance and support.

As a **teacher** I pledge to:

- Provide an academic environment that is conducive for learning;
- Respect and value the unique characteristics and qualities of all students;
- Always assist and support students in their effort to learn;
- Promote effective and continuous communication with parents;
- Promote parent involvement in school functions;
- Demonstrate a professional demeanor that allows me to be a positive role model for our students;
- Perform professional duties as required and on a voluntary basis as deemed necessary; and
- Maintain high expectations for our students and provide an accurate assessment of students' academic progress.

As a **student** I pledge to:

- **BELIEVE** that I can learn and be the best person that I can be;
- Show respect for myself, my peers, and my school staff;
- Obey all school rules and always show good behavior;
- Attempt to do my best in all of my classes; and
- Bring the necessary school supplies to school and complete all assignments.
