Volume IV, Issue 1 September 14, 2007

## Highland County Fair

Written by: Rebecca Herzog

As the fair week ended, tears were shed and smiles were worn as many of Whiteoak High School's students took home terrific placings with their projects. A few people won Grand Champion with their projects. Those people include: Monica Palmer, Market Dairy Goat; Brian Simmons, Market Rabbits; Austin Trueblood, Market Steer; and Blake Trueblood, Feeder Calf. Also many projects were submitted by the FCCLA classes. Memo boards, toys, blankets, and baked goods were entered and many received A's.

Congratulations to everyone in the FFA, 4H and FCCLA who placed at the Highland County Fair.

(Additional FCCLA and FFA placings on back.)

## Task Force is Back and Ready to Roar

Written By: Rebecca Herzog

As the 2007-2008 school year moves forward, so does the Task Force. Led by Junior High and High School students, the Task Force has many plans for the upcoming year. Last year the Support Our Troops activity began. Students have the opportunity to send and receive letters. This year, baking for our

soldiers will be a major activity. Other activities include: A Welcome Back Dance, Prom Promise, Operation Christmas Child, Spirit Week, and much more. If you would like to help out the Task Force, we are in need of boxes of brownies to bake for soldiers. Also, small toys, soap, and school supplies are needed for Operation Christmas Child. If you would

like to donate any items, please do so by mid- October. Everything is greatly appreciated!

## Senior Spotlight

Written by: Britanni Cresie

Miranda Hurt is nominated for Senior Spotlight in the Weekly Wildcat this week. She was born in Cincinnati, Ohio on June 1, 1990 and is the daughter of Mary and Carl Scott. She has one sister and two brothers. If she could go anywhere in the world it

would be to Hawaii. Her favorite vacation spot would have to be Panama City, Florida. Her hobby is dancing at the Noreen's School of Dance. Her plans after High School are to go to Berea College in Kentucky, where she can get a full four-year degree.

## What's Up With That??

## Education in Action

Cassie and Miss Weisner perform a demo for their class. The demo was the first of many, as Miss Weisner's chemistry classes will have "Flammable Friday" each week showcasing fiery experiments and the science behind them.

## Community Spotlight-Shoe Sensation

Written by: Emily Tolliver

This week's community spotlight is on Shoe Sensation located in Hillsboro Plaza of Hillsboro, Ohio. Although they have been in business for over 30 years, they've just moved to Hillsboro and have been in business here for only about a month. We are lucky enough that our new local store is built with the company's newest concept called "underground attitude." Shoe Sensation together with Underground Attitude offers shoes for everyone and a line of trendy clothes for juniors and young men. Shoe Sensation plans to stay at a steady growth of 15 new stores per year, while the Underground Attitude is on an aggressive growth of 20 stores over the next 12 months.

## The Right to Bear Arms

Written by: Stephanie Westfall, Heather Brewer, Briana Hooley & Steven Robinson

President Marian Wright Edelman of the Children's Defense Fund said that firearms are an easy thing to acquire. Children of all ages have a parent that has at least one gun in or near their house because they are afraid of being robbed.

Senator Larry Craig from the Republicans of Idaho states that firearms should be accessible because crime has increased. Overall, he believes people should be able to carry guns wherever because of the crime rate.

## Ryan's Question of the Week

"Why do we say 'heads up' when we actually duck?"

So you don't get hurt.  
-Mark Jolly

Because I made it that way.  
-Bryant Resor

Because we can't fly?  
-Mr. Lanham

## Summer P.E.

Written by: Mr. Rahe

"Summer PE/ Outdoor Education this past summer went great!" stated Mr. Rahe. Great instruction, great competition, and great fun were had by all. For two weeks, from 8am to 3pm students received instruction and then participated in numerous sports and physical fitness activities.

Two-person teams were chosen and then points were awarded to each team as they competed throughout the ten-day course. Ashley Frazer and Brittany (Bob) Waits were the overall champions in closely contested multiple sport experiences.

At the end of the second week the class went on an outdoor education field trip. The class caught over 160 fish, and Mr. Roush caught the biggest fish as he visited the class after lunch.
