Students of the Month

Written by: Miss Weisner

We would like to congratulate our February Students of the Month. These ladies were identified by the teachers and staff at Whiteoak Jr./Sr. High School as showing exemplary student characteristics.

Monica Palmer is a sophomore and is the daughter of Ronald and Debbie Palmer. She has a brother, Lee, and a sister, Bonnie. Her favorite thing about our school is the time she gets to

spend with her friends. If she could change one thing about Whiteoak it would be the lunch menu.

Kelly Rudler is our junior high student of the month. She is the daughter of Ken and Julia Rudler.

Her sisters are Katrina and Amber, and Amber is Kelly's favorite person at school because she is loving and helpful. Kelly's favorite thing about Whiteoak is the staff and her friends. If she

could change one thing about our school it would be the school's layout. Congratulations on a job well done!
