Written by: Kasey Sosby

Over spring break, the softball team had their 1st laser tag fundraiser. The fundraiser was a huge success for the Ladycats earning them over \$500.00 for new equipment, warm ups, and other various needs for the team. It was a well organized and fun-filled event

Task Force Receives Donation from MPACT

Written by: Mrs. JvR

The Whiteoak Task Force recently received a donation from Klay Maynard, president of MPACT, a non-profit organization dedicated to supplying basic hygiene worldwide. The donation of soap, toothbrushes, toothpaste and sunblock was sent to a burn clinic in Iraq for children and women wounded in the war, to Hope Emergency, an organization that helps the needy with food, clothing and basic supplies, and will also be sent to

the soldiers in Iraq. Mandy Psiaki, the burn clinic contact, commented that the day before the package was sent, a young child had asked if anyone had a toothbrush that he could have. All supplies are greatly appreciated.

April Fools Day

Written by: 4th Period Government Class

April 1st also known as April Fools Day is not an actual holiday. April 1st is the day where people play practical jokes on one another. It is believed that April Fools Day originated from many different places and took a little from everywhere, but was not a common custom until the 18th century.
