ELECTION RESULTS

Written by: *Rebecca Herzog, Current Events Student*

As one of the biggest Presidential elections came to a conclusion, many agreed and disagreed with the outcomes of the passing/failing of issues and levies. Some State issues included: Petition Deadline- 68% Yes; Clean Ohio- 69% Yes; Property Rights- 71% Yes; Pay Day Lending- 63% Yes, and Clinton Casino- 62% No. A few local results include: Ron Ward- Sheriff; Vickie Warnock- Treasurer; Shane Wilkin and Tom Horst- Commissioners. Of course, the most important result is the new United States President, Democrat Barack Obama. President-elect Obama gave an excellent acceptance speech and proudly took on the role of head of state.

WHS HONORS VETERANS

Written by: *Vince Clark*

November 11th is a day we all call Veterans' Day, and that used to be called Armistice Day. Veterans' Day recognizes all of the war veterans and the fallen heroes. On Tuesday, November 11, during a school-wide ceremony held outside around the flag pole, Mr. Roush gave his speech about Veterans' Day. He explained to the student body the importance of Veterans' Day and what freedoms we have that we may not consider. Mr. Roush has very strong opinions about Veterans' Day because his own grandfather served our country. He encouraged students to appreciate veterans and fallen heroes for they

are the ones who made it possible for the American people to have their freedoms.

Another speaker at this ceremony was Katy Wickline. Katy gave her speech that won the Voice of Democracy Contest. She too had strong words to encourage students about Veterans' Day. During this ceremony, seniors at Whiteoak High School who plan to serve their country were recognized: Shawn Farkas, Amber Frazer, Tasha Gregory, Jessica Kerwood, Kurtis Morgan, Thomas Morris, Cassie Mummert, and Matt Valandingham. The seniors started the Pledge of Allegiance followed by the rest of the students and staff. To end

the ceremony, a moment of silence was given to the veterans and heroes who have served, or are currently serving, the United States of America.

SENIOR SPOTLIGHT

Written by: *Cassie Buzard*

This week I am spotlighting senior Faith Hawkins. Faith was born on December 20th, 1990 to parents Dwayne and Rebecca Hawkins. Faith also shares her house with her older brother, Daniel. Faith's favorite color is orange. Faith is very involved here at school. She plays softball and golf, and is very involved in FFA.

Faith's favorite subject at Whiteoak is impact and her favorite teacher is Mrs. Juillerat. If Faith could be any super hero she would be Spiderman, and if she could go anywhere she would go to Florida. In her free time Faith enjoys cooking. After graduation Faith's plans are to become a television broadcaster.

YOUTH IN THE BOOTH

Written by: Shawn Farkas

The Whiteoak senior JOG students participated in a project for election day. Students provided food for the election workers at the Mowrystown location. Six of the students attended a mandatory training session to enable them to work at the polls in Mowrystown, Concord, and New Vienna. They all found it to be a very rewarding and educational experience, and would like to be involved next year. The students who participated in the project were Kyle Johnson, Courtney Corey, Jessica Garen, Rachael Russell, Jessica Rodgers, and Shawn Farkas. The money that funded the food for the poll workers was provided by a learn and serve grant. Rebecca Herzog and Emily Tolliver also worked at the polls.
