## NHS ANNOUNCES SEVERAL UPCOMING EVENTS

Written by: *Stephanie Docter*

The National Honor Society has planned several upcoming events and projects to occur within the next couple months. Two of these are school-wide drives, Socks for Soldiers and Pennies for Patients. Socks for Soldiers will run from February 23-March 13. The NHS is asking students and staff to bring in plain white tube or crew socks (no ankle length) for our troops. Socks are an inexpensive item that the soldiers are in great need of. A drop-off box will be placed outside the office. Thanks to Miss Hahn for her help in preparing this project and her dedication to serve our soldiers! Pennies for Patients will run from March 2-13, and will benefit The Leukemia & Lymphoma Society. This project will be a contest between homerooms. The homeroom donating the most change will receive an ice cream party the week of March 16. Applications for new NHS members will be distrib-

uted within the next week. Induction for new members will be held on Sunday, April 5. The NHS/honor roll field trip will take place on April 9. Students will be visiting the Newport Aquarium. To attend, students must be on the honor roll for the entire year. The tentative date for the Academic Awards is May 5. NHS members appreciate your support in their endeavors.

## BAND RECOGNITION NIGHT

Written by: *Stephanie Docter*

Tuesday night, Band Recognition was held between the Reserve and Varsity basketball games. Each band member was recognized with their parents. Following recognition, the high school band performed a floor show. The show included "The Hey Song," "Hang on Sloopy," and "Gimme Some Lovin." The show concluded with the school "Fight Song." Following the show, band members and their families enjoyed cake and pop in the band room. The band received many positive comments on their performance.

## MYERS-BRIGGS TEST

Written by: Josh Kostoff

On February 11th, WHS 8th and 10th grade students took the Myers-Briggs test. The test is a personality & career interest survey, and was paid for through the OACHE grant. The test helps students prepare for choices in careers. These test results will be reviewed with the students on Feb. 24. Students will have an opportunity to do additional career & college searches. The test will also help to prepare for upcoming events, including Reality Store, Business Luncheon, March Madness College boards, and the 10th grade career board presentation competition.

## KOSTEVEN'S QUESTION OF THE WEEK

*If you won a million dollars, what would you do with it?*

"I'd put myself in a mansion, somewhere in Wisconsin."  
-Jesse Greene

"I'd buy a log cabin, somewhere in Aspen."  
-Blake Stevens

"I would give \$250,000 to our school to make them financially solvent, then I would give my wife a bunch of money to fix the kitchen."  
-Mr. Rahe
