DISTRICT-WIDE AG DAY A HANDS-ON EXPERIENCE!

Written by: Dawn Brown

Mowrystown FFA hosted a district-wide Ag day on Friday May 15, 2009 at Bright Elementary which included grades pre-K through twelfth. There were several different activities that were performed throughout the day which were organized into stations. The grades ranged from pre-school to 8th grade. Grades ninth to twelfth were the students that helped teach about all the different skills and animals.

Miss Roberts' group taught about Native Americans and had the seventh graders paint some of their symbols on big rocks. Mr. DeAtley and the Ag classes had many different animals set up in a tent and students taught the younger students about many different animals such as dogs, horses, pigs, goats, cows, rabbits, fish, sheep, chickens, and donkey. Mr. Rahe taught the students about tree stand safety and what not to do while in a tree stand. Mr. Cheesbro and Mr. Wessner's group had a scavenger hunt for the students where they had to go find flags and use the GPS devices to see where the flags were located. Mrs. Juillerat and her group had students complete a computer component coloring booklet and also made Ag Day post cards. Mr. Shelton and Mr.

Wood's group had a session on population studies. Mr. Lanham taught about the earth and how large it is with a fun group activity.

Miss Ellis had her students read "Giving Tree" to the kindergarten students and they made impressions of leaves. Her students also held a Don't Litter contest and the winning signs will be displayed in the S.T.A.R. lab in the future. Ms. Hahn's group taught elementary students how to make God's eyes. Ms. Roe and Mrs. Whited had their group test water samples from the pond. Ms. Dietz had her students play many different leadership games. Mr. Walker and Mr. Bohl took students on nature walks on the S.T.A.R. lab trails.

Pizza Hut pizza was served for all junior and senior high students for lunch. Funds for this was provided through the Learn and Serve Ohio Grant. The day concluded with a performance by the high school band in front of an audience of high school, jr. high, and elementary students and staff.

Students learned a lot from their hands on experiences and enjoyed being in an outdoor classroom for the day. Thank you to all of the students and teachers who made this day possible!

Water testing with Ms Roe and Mrs. Whited's group.

Chicken demonstration by Ag students.

Rock painting with Miss Robert's group.

End of day district-wide band concert.

SENIOR FAREWELL BANQUET

Written by: Blake Stevens

On Tuesday, May 19, the seniors were honored with a Senior Farewell Dinner catered by Ponderosa. Along with the dinner, fellowship with friends and family, a speech by Mr. Roush, and a slideshow picture presentation was enjoyed by all. Everyone who attended enjoyed cake

made by Debbie Robertson and also received a Whiteoak cup and ink pen which was funded through the OACHE Grant. Thank you to all of you who attended and we wish the Seniors the best of luck for graduation and their future plans!

Mr. Roush speaking at the farewell dinner.

HAPPY BIRTHDAY WISHES!

- 5-25 Heather Brewer
Cody Morgan
- 5-28 Kasey Sullivan
- 5-29 Stephanie Docter

SEAN'S FUN FACTS

If you stretch a standard Slinky out flat it measures 87 feet long.

In Saudi Arabia, a woman reportedly may divorce her husband if he does not keep her supplied with coffee.
