Project Linus

Written by: Mrs. Janse van Rensburg

Project Linus is comprised of hundreds of local chapters and thousands of volunteers across the United States.

The organization is sponsoring "Make a Blanket Day" on February 20. The "I" Team would like to help those students with a sense of community service to make a blanket to help with Project Linus. Supplies will be available during study halls, class periods

with Mrs. Davis and after school. Please see Mrs. Janse van Rensburg for information or to help. Donations of fleece material or money to help pay for the supplies will gladly be accepted! This program counts as a "Give a Day, Get a Disney Day" that has been advertised on TV. Please see the newspaper article on the black wall in front of Mrs. Janse van Rensburg's room for more information!

SUBJECT TO CHANGE

This institution is an equal opportunity employer/provider.

Senior Spotlight

Written by: Kristen Seip

This week's Senior Spotlight is on Megan Bohrer. Megan's parents are Greg and Mindy Bohrer. She has two brothers: Jacob (22); and Caleb (20), and one sister, Regan (12). Megan's favorite subject in school was math and her favorite teacher is Mrs. Fishback. If she could go anywhere in the world, she would go to Australia to see the exotic animals. If she could be any super hero she

would be Elastic Girl, because she is very flexible.

Megan's favorite activities are FFA and NHS. Her hobbies are hanging out with her boyfriend and working on the farm. Ohio State is her favorite sports team because she likes the colors and her brother goes there. After Megan graduates, she plans to go to school to become a teacher.

Sean's Fun Facts

Only one person in two billion will live to be 116 or older.

It's possible to start a fire by rapidly rubbing together two Cool Ranch Doritos.

It is more likely you will find gold than win the lottery.

Berkley Says...

Written by: Justin Berkley

On January 27, Apple® released its new product. It is called the iPad, and there is a lot of buzz about this new creation. It's basically an iPod touch, just a way larger version. With a 9.7 inch screen, it's anything but little. But is it really worth all that money? The iPad is very fragile, and holding it with just one hand can get scary. Its web browsing is also very pathetic when matched up to the iPod touch. Multitasking is literally impossible as well. Also, the advertising says \$499 but once you get the plan and the web browsing, you are actually looking at \$700-\$800.

What's going on at Whiteoak?

Mr. Wood's January History Champions!

These students have succeeded in achieving the status of History Champion in his/her respective class for the month of January. In order to obtain the title of Champion, each of these students has displayed an all around awesome performance which includes having a great attitude, strong work ethic, and everything in between. Pictured back row (l-r): Nick Wardlow, Hannah Walker, and Sydney Smith. Front row: Cody Feck, Tate Chambers, and Shaylyn McCoy.

Prayer Circle

Pictured above are students who participated in the Prayer Circle held last Friday. Students were praying for the people in Haiti.
