Band Recognition Night

Written by: Bailey Walker

The school band wrapped up their basketball season on February 19th. Before their very last ballgame of the season, the students were recognized at the Wednesday night game against Fayetteville. Because of the inclement weather, they were not able to continue with the floor show that they had been working on. But, they still gave a lively performance of a few of their songs including: "Tequila"; "I

Want Candy"; "Viva la Vida," and the school fight song.

ATHLETIC ANNOUNCE-

Spring sports mandatory meeting is Monday, March 8 @ 6pm in Band room.

Pee Wee Cheerleaders

Written by: Bailey Walker

Last Friday, February 19th, the gym was packed with approximately 50 animated Pee Wee Cheerleaders. Between the Reserve and Varsity game, the girls performed four cheers and finished with a dance choreographed by the JV and Varsity Cheerleaders. All of the profits went to the

Whiteoak High School Cheer Fund. Also recognized at the Whiteoak vs. Lynchburg game were seniors. Congratulations to: Ethan Hawkins, Ethan Eyre, Jerry Stuckey, Ben Barnett, Desiree Green, Casey Valandingham, and Courtney Valandingham. Their pictures are on the back page.

Senior Spotlight

Written by: Kristen Seip

This week's Senior Spotlight is on Blair Maynard. Blair's parents are Kyle and Suzy Maynard. She has one brother Cory (21), and one sister Ali (20). Blair's favorite subjects in school are Ag and Science, and her favorite teacher was her grandma, when she did homeschooling, and Mr. DeAtley.

If Blair could go anywhere in the world, she would go to Australia because it looks sweet. If she could be any super hero, she would be

Wonder Woman because she is the only one she knows. Blair is involved in Ag, softball, basketball, jr. fair board, and 4-H. Her hobbies are: riding 4-wheelers, showing cattle, hanging out with friends, and mudding. Blair's favorite sports team is the Ohio State Buckeyes because they are awesome and all of her family are alumni from there. After graduation, she plans to attend college for pre-medical technology.

Sean's Fun Facts

*If the entire population of earth was reduced to exactly 100 people, 50% of the world's currency would be held by 6 people.
*You can be imprisoned for not voting in Fiji, Chile, and Egypt.
*Months that begin on a Sunday will always have a "Friday the 13th."

USA Upsets Canada 5-3

Written by: Justin Berkley

A total of 19,300 hockey fans crammed into the Canada Ice Palace Sunday night to witness team USA upset team Canada 5-3. It took 40 years for the United States to come up with a triumph against long-time rival Canada, and with more than half the fans counting on lead player Sidney Crosby, U.S.A was thrilled when Brian Rafalski scored twice right from the start. The United States now stands first in group A and gets a bye week before the quarter finals while Canada faces a very determined Germany.

P.A.L.S.

Written by: Casey Valandingham

Pictured below are a couple of Mr. DeAtley's Ag students at the elementary helping Mrs. Kibler's art class. These students, along with a couple of others, have been going to the elementary for P.A.L.S, an Ag program that lets the high school students go over and spend time with the students at the elementary. It is a great experience and the students really seem to enjoy it!
