

WHITEOAK HIGH SCHOOL WEEKLY WILDCAT

Volume VI, Issue 2 September 25, 2009

Volleyball Program Thanks the Miller and Wolfe Families!

Written by: Bailey Walker

The Whiteoak Volleyball Program would like to give a big thank you to Morgan Miller and her parents, Karen and Jerry Miller, and grandparents, Dick and Judy Wolfe! Their work and skill provided the high school volleyball teams with 24 oversized wooden volleyball signs with each player's name and number hand painted on each one. Coach Rahe has done

this in the past and commented on the project. "It has always been a success and I hope it becomes a tradition here at Whiteoak," he noted. Pictured are Morgan, her mom Karen, Grandpa Dick, and Grandma Judy along with one of the signs.

Current Events

Written by: Justin Berkley

A long drought eventually brings a vast amount of rainfall. In this case, it involves the state of Georgia. This past week more than 20 inches of rain fell on Georgia, causing rivers and streams to overflow and rush upon active roads and cities. The series of storms has taken more than 6 lives, and over 12,000 people were without power late into Monday. Main roads have been shut down. Major towns and cities have been evacuated for the safety of the people. Assistance from other states has come to relieve the crisis, but they can only do so much to help. Though other states were struck by storms, the most destructive effects happened to Georgia.

JOSTENS

The Jostens representatives will be at WHS to take orders for graduation items and caps and gowns on **Friday, October 2 at 7:30am in the Student Center**. All senior orders should be turned in at this time. Class rings may also be ordered or serviced.
