

# WHITEOAK HIGH SCHOOL WEEKLY WILDCAT

Volume VI, Issue 21    March 12, 2010

## Spanish III Class Visits Elementary

Written by: *Matt Forsythe*

On Thursday, March 4th, the Spanish III class visited Mrs. Roberts' second grade class. They brought taquitos and a piñata, and they had a fiesta. The 2nd graders made tamales for their celebration. The kids enjoyed breaking the piñata open, and they picked up the candy as fast as possible. This is not the first time Ms. Hahn's class has visited the 2nd graders. The last time Spanish III visited, they taught the children some

other words in Spanish that they didn't go over in class. The juniors and seniors were surprised by how many words the second graders had learned from the bilingual stories they had read. Ms. Hahn's class taught them how to say 'thank you' and 'your're welcome' during their last visit. The children said they will miss the high school students and hope to see them again in the future.

## Senior Spotlight

Written by: *Kristen Seip*

This week's senior spotlight is on Lindsey Reed. Lindsey's parents are Krista and Spencer Reed, and she has one brother, Corey (16). Her favorite subject through school is biology and chemistry, and her favorite teacher is Mrs. Weisner. If Lindsey could go anywhere in the world she would go to Europe, to see her family and the different sites. If she could be any super hero, she would be Storm because if she

did want to go somewhere she could just change the weather and not go. Lindsey is involved in NHS, and her hobbies are playing guitar and hanging out with friends. After high school, Lindsey plans on attending Wright State and then going to Medical School to become an ER Physician.

## Sean's Fun Facts

- \*Our eyes are always the same size from birth, but our nose and ears never stop growing.
- \*Montpelier, Vermont, is the only U.S. state capital without a McDonald's.
- \*Banging your head against a wall uses 150 calories per hour.

## Earthquakes Around the World

Written by: Justin Berkley

An earthquake struck Turkey early Monday morning. The U.S. Geological Survey registered the quake at a magnitude 5.9. At least 40 people have been confirmed dead and over 100 injured. Relief effort crews have already been deployed to help those who are homeless or in need. An earthquake also hit off the shore of Hawaii Monday afternoon. The quake was classified as a 4.4-magnitude. Luckily, no one was hurt.

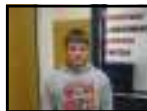

Some of the students help put gift packs together from The "I" Team for the OGT takers! Good luck!
