Sophomore College Fair

Written by: Bailey Walker

On Thursday, April 1st, Whiteoak sophomores took a trip to Georgetown High School for a college fair. There were approximately 20 college representatives present. Students said that they enjoyed a more one-on-one atmosphere, and were glad that most of their questions were answered. Some of the schools who were there were: Ohio State University, Ohio Univer-

sity, Northern Kentucky University, The Art Academy of Cincinnati, Marshall University, and the University of Cincinnati. The sophomores finished their day with a trip to McDonalds, and returned to the school around 12:30pm.
