"I" Team

Written by: Mrs. Jans ven Rensburg

On the very first day of school, the "I" Team was already in action. We gave out Whiteoak pens and Smarties... a great way to start the year! Our first Junior High Students of the Month for September are Kayla Taylor for grade 7 and Seth Marion for grade 8. 9th grade had Ben Walker and Stephan Anderson, Travis Tracy was the 10th grade student, Taylor Bratton was the 11th grade student and Kal Meade was our Senior of the Month! Congratulations to all

of you! You are great representatives of an awesome student body! The junior high will have a Welcome Back party on September 17th at 1:30. There will be music, games and corn hole. We'll have pictures for next week's edition of the Weekly Wildcat. We have also had lots of snacks for the teachers...we want to make everyone feel welcome and valued!

Fair Break

Written by: Morgan Lehr

Fair started on Saturday, September 4th and ended on the 11th. Everyone was busy bringing in their animals and projects on Friday and Saturday. The first sale was hogs and goats on Wednesday; Thursday, rabbits chickens; and sheep and cattle on Friday. Many students at Whiteoak did great showing their projects at fair. The results for the people who placed will be in next

week's Weekly Wildcat. There were also dirt bike races on Saturday, Truck Pulls on Sunday, Four Wheeler races on Monday, Demo Derbies on Tuesday and Wednesday, Tractor Pulls on Thursday and Friday, and Truck, Tractor, and Semi races on Saturday. All in all, fair break was good and it was nice to be out of school!

Senior Spotlight

Written by: Clarissa Johnson

The senior spotlight Whiteoak High School was for this week is on Jesse Greene. Jesse's parents are Julie and Rob Greene. His sibling's are Sarah, Kellie, and Seth. The activities that Jesse enjoys are listening to music and playing his x-box. His favorite class is history. Jesse does not have a favorite sport or player because he does not like sports. Quote of the Week

Success is to be measured not so much by the position that one has reached in life as by the obstacles which he has overcome.

—Booker T. Washington

A.J. Stout, The Laurels of Hillsboro Administrator, was a guest speaker for the service learning class on Wednesday. He talked about how health care careers are still going strong with the state of the economy and other topics such as: making a career choice, professionalism, communication, job applications, and first impressions.

Education in Action

This week's Education in Action is focusing on Mr. Akley who is currently a student teacher for Mr. Wessner. In the picture, he is teaching the class about life on boats for immigrants coming into the United States and how they had to stay in steerages with poor hygiene, little food, and multiple diseases.

Fun Facts

On average, 100 people choke to death on ballpoint pens every year.

The original game of "Monopoly" was "Circular."

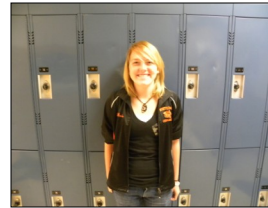

If you toss a penny 10,000 times, it will not be heads 5000 times, but more like 4950. The heads picture weighs more, so it ends up on the bottom.

Jesse's Question of the Week

What did you do over fair break?

I slept in the Nissan Altima.
- Kal Meade

Showed rabbits.
-Katie Burrier
