## Heart of the Ocean

Written by: Christine Hamilton

The Jr.-Sr. Prom was held last Saturday, April 30<sup>th</sup>, with Heart of the Ocean as the theme. Grand March took place at Whiteoak High School where family and friends got the opportunity to see everyone during the announcing and walkthrough of couples. The Prince candidates included Nathan Hauke, Ryan McCann, and Kenny Brate. Princess candidates included Jessie Gilliland, Marissa Bohl, and Pat. King candidates included Jesse Greene, Kal Meade, and Mark Crow. Queen candidates included

Sami Hildebrandt, Brittany Toliver, and Kari Fannin. The results were revealed following the walkthroughs, announcing Ryan McCann as Prince, Pat as Princess, Mark Crow as King, and Kari Fannin as Queen. Everyone then rode to Hilltop where the dance took place. A big thanks goes out to Mr. Arledge, the juniors, and everyone else who put forth all their time and effort. They did a wonderful job and everyone had a great time!

The concert went very well and we appreciate all the hard work and long hours of practice that were put into making the songs sound great.

## Senior Spotlight

Written by: Clarissa Johnson

This week the spotlight is on Stephanie Creamer. Her parents are Robert and Rebecca Creamer. Stephanie has a sister, Kandice Creamer. Her favorite sport is softball. Stephanie's favorite class is Home Ec because she gets to eat.

Stephanie's best memory at Whiteoak High School was

when Mr. Lanham killed everybody at dodge ball. Her worst memory at Whiteoak was basketball conditioning when she used to play.

Stephanie is undecided in her future plans. Her biggest goal to accomplish before she dies is to go deep sea diving.

## Culture Fair

Written By: LeAnna Lomske

On Tuesday, May 3<sup>rd</sup>, all of the students in Ms. Hahn's Spanish classes had the opportunity to expose the community and other students to a different culture rather than our own. It was held in the old gym where they set up their boards and whatever else they had to present to the community. Some students did a presentation on a Spanish speaking country, while others did different activities such as demonstrating Spanish crafts, colors, and food. You can't forget about the delicious food! Everybody enjoyed walking around and trying the different things and there was a good turnout.

Thank-you to everybody who participated!

### Thank you to all of our teachers!
