Cross Country at Rio Grande

Written by: Jennah Lomske

On Saturday, September 25, the Whiteoak students had a cross country meet at the Rio Grande College. The high school girls had to run with about 140 other runners and did a pretty good job. LeAnna Lomske got 17th and Jennah Lomske was right behind her with 18th. Liz Carson came in 102nd and Morgan Lehr was in 117th. From the high school

bosy team, Kal Meade finished before all of his other team members. The remaining members finished as follows: Mark Crowe, Anthony Lomske, Nick Eldridge, Steven Oney, Travis Tracey, Tyler Roberts, Jason McCoy, and then Matt Forsythe. Some of the runners ran their best times at this meet and might get their times low enough to run at regionals.

Senior Spotlight

Written by: Clarissa Johnson

The senior spotlight for this week is Ashley Frazer. Ashley's parents are Steve Frazer and Teresa Beekman. Her siblings are Tamara, Tracy, Amber, and Chad Frazer. The class that Ashley enjoys is AG with Mr. DeAtley. Her favorite sport is softball. Ashley plans to attend Southern State Community College and major in nursing and specialize in

labor and delivery. Her best memory at Whiteoak is just spending time in the AG room and all the friendships she has made. Ashley's worst memory at Whiteoak was when she fell out of her chair in Ms. Roe's Classroom. Her biggest goal to accomplish before she dies is to start a family and live a happy life.

Education in Action

Written By: LeAnna Lomske

The spotlight for this week’s Education in Action is Journalism class! They have been busy with the Weekly Wildcat and getting everything ready for the upcoming yearbook. Though it is a small class, each student performs many important tasks that help accomplish what is needed to be done.
