8th Graders Visit JVS

Written by: Emily Stratton

On Monday, May 16th, 2011, the 8th Grade took a trip to the JVS. They received a tour of each class room, got goodies, and participated in shooting a simulated gun in the Criminal Justice Unit. They also got to see a group of Seniors building a house in the carpentry department,

and also got to learn how much money you could earn from doing one of these jobs. The 8th grade students got to McDonalds for lunch. Overall it was a GREAT day!

Senior Spotlight

Written by: Clarissa Johnson

This week the spotlight is on Brittany Waits. Her parents are David and Carol Waits. Brittany likes basketball and band. Her favorite basketball team is the Tennessee Lady Volunteers. Brittany's favorite player is Candance Parker.

Brittany doesn't have a bad memory from Whiteoak High School. Her best memory from Whiteoak was when Ashley Crone and she were cleaning up after

prom and they loaded Mr. Arledge's car up with streamers.

Brittany has future plans on going college. Her biggest goal to accomplish before she dies is to travel around the world.

Senior Trip Recap

Written by: LeAnna Lomske

Last Friday the senior class went on their much awaited senior trip. They had a day off of school that was jam packed with many different adventures. They got to go to Game Works where they played arcade games for a couple hours and then went to the Newport Aquarium. Some of the seniors said a highlight of the aquarium was when their shark tour guide was talking to them about how to pet a shark. Thanks to her they now know to only pet a shark with two fingers and to wait until it comes up to you to pet it. They also were able to go to a Cincinnati Reds game where the Reds won 6-5, and for a delicious treat they went to Cold Stone Creamery. All in all, the seniors had a great time and it was a fun way to finish their last year here at Whiteoak.
