BAND RECOGNITION NIGHT!

Written by: Bailey Walker

Last Friday night was not only the Boys Basketball game against Peebles, it was Band Recognition Night! Just before the game started, the High School Band performed quite an intricate floor show. They played all of their favorite songs while creating all kinds of patterns with their interesting routine. As always, Mrs. Gleim led the band into the legendary cursive-writing "Cats" formation. They played a total of four songs. They began with "Land of a Thousand Dances," next "Tequila," followed by "Gonna Make You Sweat," and finished the night with "Everybody Dance Now." Everyone did a great job! Congratulations to the band for another fun-filled, successful year!

The senior spotlight this week is on Kenny Brate. Kenny is the only child of Kevin and Rose Brate. When Kenny was little his favorite thing to watch on TV was SpongeBob Squarepants. His favorite thing to do is hang out with his grandma and roll in his Taurus. Kenny's greatest memory at Whiteoak was moving here and meeting all his awesome friends. When Kenny graduates from high school his plan is to finish Southern State and transfer to U.C.
